

END OF TERM 1 UPDATES & HAPPY HOLIDAYS!

MARCH 2024

Can you believe that we are already at the end of Term 1?! The start of this year has just absolutely flown by, and we couldn't be prouder of every single student who has thrown themselves into 2024 with so much motivation and positivity! As we close off this term, please take note of the following important notices and reminders.

SECOND BUILDING UPDATE & NEW TIMETABLE RELEASE

With plans & renovations for our brand new building well and truly underway, we are thrilled to be able to share with you our updated 2024 timetable! Just a friendly reminder that nothing is changing to our current timetable in terms of class days and times, we simply now have the opportunity to expand and duplicate our classes that are in highest demand! A variety of classes will now be held in the new studio, with all of these changes being outlined in our updated timetable, so please be sure to carefully check your child/rens class locations. Please understand that all of our Mini Rec classes on Mondays, Tuesdays & Saturdays have now been duplicated. The classes have been divided in two by age. The children who are turning 5-6 (in Prep) will remain in 'Minis' and those turning 7 (in Yr 1) will now attend 'Pre-Junior' classes in Term 2. This is our best effort to reduce class sizes and ensure top quality learning.

AUSSIE DANCE TOUR SHOWCASE PERFORMANCE

This year we have been given the opportunity to perform at ADT's Showcase night on April 12th at the Gold Coast Sports & Leisure Centre. Please be aware that due to our Mega Crew routine not being ready to perform at this point in time, we have made the decision to take our 15Yrs Performance Hip Hop group - DNA to perform at this event instead. All families of our 15Yrs Performance Hip Hop team have received an info sheet via email entitled 'ADT Performance Information', which outlines everything you need to know for the event. If for any reason you have not received this, please let us know ASAP! We do apologise for any inconvenience caused to our Mega Crew students and appreciate your understanding with this!

EVENTS COMING UP IN TERM 2...

TERM 2 CULTURAL WEEK

To celebrate the amazing diversity we are blessed with here at Younique, we are proud to introduce 'Cultural Dress Up' Week to our studio in **Term 2, Week 2**. Students of all ages are invited to attend classes in clothing and accessories that represents their cultural heritage. We hope this will be a wonderful opportunity for our students to share stories and learn about one another, whilst celebrating the multiculturalism we are lucky to boast in our studios every day of the week.

TERM 2 BRING A FRIEND WEEK

It's almost that time of the year again... the time when we get to bring our besties to dancing! Students of all ages are invited to bring a friend to dancing for 'Bring A Friend' Week in **Term 2, Week 5**. Please understand that, due to the busy time of year for our performance teams, we are unable to accommodate new friends in our performance team classes during Bring A Friend Week. We are, however, very excited to see lots of new faces in our recreational classes and can't wait to see you all having a boogy with your besties!

Our last day for Term 1 is Thursday 28th March. We are closed over the entire Easter weekend including Saturday 30th March and 2-week school holiday break, we will be back in the studio on Monday 15th April to kickstart Term 2!

Miss Bri and Miss Jaz will be away on Thursday 28th March as they head overseas that day, however our other amazing staff members will be at the studio, taking care of all classes and manning the front desk for our last day of Term.

Just a friendly reminder of our fee structure over the school holiday period, as we divide our 10-week term over a 12-week payment period, all weekly direct debit instalments will continue over the school holidays but please understand that you are not being charged for classes during these 2 weeks.

Thank you all for such an incredible start to the year-- we have truly been blown away by the supportive, positive and uplifting environment around the studio this term and can't wait to be back for Term 2 very soon!
